Manufacturers' Association

About IMTMA

Established in 1946, IMTMA is the apex industry association for machine tool industry in India. IMTMA has a membership of around 570 companies from public and private sectors, manufacturing a wide range of metal cutting and metal forming machines, sub systems, accessories, cutting tools, and other related equipment. IMTMA plays an active role in the growth and development of the machine tool industry through policy advocacy, knowledge platforms, research reports, exhibitions, seminars, training and skill development.
