Note:

- a) Annual Fees shall be payable for each official year of the Association commencing from the 1st day of April in each year, on or before the 30th April in every official year.

For calculating the annual fee due from new members the following rules will apply:

- b) If the unexpired portion of the official year of the Association at the date of the admission of the new member is less than six months, then the fee payable by such new member for the first year shall be half of the annual fee. If the unexpired portion is more than six months, the fee payable shall be full annual fee.
- c) As per the new framework of IMTMA membership subscription, the continuation of membership will be governed by the following guidelines with effect from 1st April 2018.
- Debit Note for Membership Subscription Fee for the financial year to be issued to all members in the first week of April every year.
 - Members must expedite payment towards their membership subscription within 3 months from the date of debit note issued by IMTMA (i.e. on or before 31st July in every official year). Membership benefits/privileges of IMTMA will be stopped/discontinued for such members whose payment is not received by 31st July in every official year.
 - Companies whose payment continues to be outstanding beyond 31st October in every official year will be removed from IMTMA membership.

IMTMA Membership Benefits:

- a) Member with more than two years of membership shall be eligible to avail member rate for participation in IMTEX exhibitions & Regional Shows (PMTX, DMTX, AMTX etc).
- Other programmes / events organized / conducted by the association as per the policy of the Association.

b) IMTMA Membership Reward Points Redemption Scheme:

In our endeavour to enhance benefits to IMTMA Members, we are pleased to inform that IMTMA is introducing “**IMTMA Membership Reward Points Redemption Scheme**” in 2018.

As per this scheme, members can redeem their reward points allocated for various categories against participation in IMTMA Training Programmes and Mega Events. This scheme is applicable only to members who pay their annual membership subscription fee within the stipulated time (i.e., on or before 31st July of the financial year) and have no dues towards their participation in any of the previous activities/events of IMTMA.

Every eligible member after paying their annual membership subscription fee will receive reward points in the form of “REDEMPTION Points” with a Face Value of Rs.1000 per point.

The details of Redemption Reward Points are as follows:

Membership Category	No. of Redemption Reward Points with a Face Value of Rs.1000 per Point
Category I	26
Category II A	15
Category II B	9
Category III A	11
Category III B	7
Category IV	6
Associate	6

Redemption Points in multiples of Rs.1000/- in Electronic form will be issued on receipt of annual membership subscription fee and arrears, if any.

Eligible members can redeem the Reward Points for participation in the below mentioned activities:

Eligible members can redeem the points for participation in the below mentioned activities:

1. Training Programmes (Productivity Institute Programmes & Design Institute Programmes)
2. Mega Events (Productivity Summit, Symposium on Smart Manufacturing & International Seminar on Forming Technologies, International Seminar on Cutting Technology and VISION Conclave etc.)

Redemption points are not transferable and should be used only by the members to whom it is issued. The Redemption points issued in the financial year will be valid until 31st March. There will not be any provision to carry forward the unused Reward Points to next financial year.

A member can redeem their reward points by registering their participation for any Training Programme / Workshop / Conference / Seminar and Mega events using their membership Log-in Id and password provided to them, through the IMTMA Training / Mega Events online Portals. You may also please contact Mr. Lakshmi pathi B (Email: membership@imtma.in | Tel: 080-6624 6839) for any further clarifications.

Membership Services

Key Activities

- Compiling and publishing Industry Data
- Technology Missions
- Training & Seminars
- Mega Events
- Business and Market updates
- Export Development
- Policy and Government Advocacy
- Trade Fairs, including globally recognised exhibitions like IMTEX, Tooltech, regional Machine Tool Expos
- Regional Council
- Vision and Udaan workshops
- Publications
- Cluster Development programmes

Benefits of Membership

- Provide expertise to machine tool industry for business and market development
- Catalyze technology development among its members and open up new opportunities for R&D
- Conceptualize and implement the overall developmental strategy for the industry in the form of clusters
- Focus on strategic efforts to boost machine tool exports
- Participate in IMTEX exhibitions at concessional rates (These Concessional rates are applicable for products manufactured in India Only)
- Interact with key customer segments across industry
- Concessional rates for participating in IMTMA training programmes

Government Advocacy & Technology Support

IMTMA helps members with their technology issues by identifying suitable academic/R&D institutions, which have the required expertise to develop solutions for them.

- Work with various government agencies in promoting the importance of a strong and vibrant machine tool industry
- Coordination with various government departments to avail development funds/grants for the machine tool industry
- C-MAT - Core Advisory Group for Research and Development in the Machine Tools Sector
- ADVANCED MACHINE TOOL TESTING FACILITY (AMTTF) (Joint project of DIPP, MoC&I, Govt. of India, CMTI & IMTMA)
- Technology missions for CEOs and senior executives of the member organizations to visit international reputed machine tool exhibitions
- Development of technology roadmap addresses the important areas of R&D pertaining to machine tool industry
- National Innovation Council
- Scheme on Enhancement of Competitiveness in the Indian capital goods sector

Publications

IMTMA compiles and publishes various documents related to Association, Technology, Market, Business and other latest industry reports from time to time. IMTMA Publications include.

- Market Research.
- Technology Forecasting
- Industry Survey and Reports.
- Members Directory.
- Newsletters.
- Journals and Magazines
- Vision Documents

Tech Centres and Training Programmes

Indian Machine Tool Manufacturers' Association has set up Technology Centres at Bangalore and Pune to provide state-of-the-art technical inputs and effective training to the metal working industry and academia across India. These centres regularly organize various training sessions, workshops, seminars and finishing school programmes for member companies and user industries.

IMTMA Technology Centres include the activities of Design Institute, Productivity Institute and Machine Building Skills Centre. IMTMA has conducted close to 9000 man days of technical programmes on more than 80 topics at Bengaluru, Pune, Gurgaon, Chennai, Rajkot, etc. for the benefit of the industry.

Training Programmes

IMTMA organizes more than 100 Technical Training Programmes on wide ranging topics in the areas of Design, Productivity, Metal Forming, Maintenance, HR, Quality, Automation, Technology, etc. for the benefit of the Metal Working industry. All the programmes are delivered through subject matter experts who have rich domain experience in the industry.

Events

IMTMA regularly organises mega events in the interest of the metal working industry.

The major flagship events of IMTMA are

- National Productivity Summit
- International Seminar on Forming Technology
- International Seminar on Machining Technologies
- Machine Tool Summit
- Vision Conference
