Dear Member,

It is the role of an Association to understand and address the needs of its member companies. Associations play a catalytic role in enhancing competitiveness of the industry through various value added initiatives.

Indian Machine Tool Manufacturers’ Association (IMTMA) has published this Ready Reckoner – “IMTMA Walks with You ... Know Your Association” as a response to a long felt need of making member companies aware of the various activities done by the Association.

IMTMA has brought out this ready reckoner with a view for all members to gain better access to information on IMTMA activities besides enabling them to benefit through participation in activities of their interest.

On going through this booklet you will find ample opportunities to participate in the Associations’ initiatives and benefit from them. I urge every member of IMTMA to join IMTMA’s activities and contribute to our industry’s growth and development, besides benefiting your company individually.

I also take this opportunity to call upon our members to support our initiatives by giving valuable feedback which will enable us to strengthen the Indian machine tool industry.

P. Ramadas
President
1. VISION & MISSION

Industry VISION

We will be among the Top 8 Machine Tool building Nations by 2022, leveraging World Class R&D, Infrastructure, Systems and People, delivering Innovative Solutions and Services to Create ‘Value for Customers’

Industry MISSION

Each member company will strive to:

+ Grow at a minimum rate of 30% CAGR.
+ Collaborate to enhance the brand perception of Indian machine tools and manufacturing technologies.
+ Explore a minimum of one new geography outside India.
+ Develop an incubation center to study at least one disruptive technology.
+ Implement IoT in its manufacturing set up.

IMTMA VISION

To be an Organisation par excellence and proactively enable achievement of Industry Vision
IMTMA - Five Broad Verticals

Association Activities
- Membership Management
- Industry Data Analysis
- Research Publications
- Govt. Policy & Advocacy
- AMTTF / AMTDC
- Industry-Institute Collaboration
- Regional Council
- Partnership with International Associations
  VDW/AMT/AFM/IMTBA, CECIMO etc.
- Export Development
  - Group Participation at Int’l Fairs/ B2B,
    Technology Mission
- Partnership with other Associations
  - ACMA, CII, FICCI
- IMTMA Awards

Training
- Technology Center, Bangalore
  - 1. Productivity Institute
  - 2. Design Institute
    Technology Center, Pune
    Design Institute, Pune
    Technology Center, Gurgaon
    Design Institute

Mega Events
- Machine Tool Industry Summit
- Productivity Summit
- International Seminar on Machining Technologies
- International Seminar on Forming Technology
- Symposium on Smart Manufacturing
- VISION Conclave

Trade Fairs
- IMTEX and Tooltech
- IMTEX Forming and Tooltech
- Regional Machine Tool Expo

BIEC
3. Membership Services

- **Industry Data & Research**
  Publishes consolidated industry data reports on quarterly basis and makes them available to the members.
  - Industry Data (Production, Export, Import & Consumption)
  - Economy update
  - Global Machine Tool Outlook (Oxford)

  Members can now upload your Production, Order & Export data on-line.

  - GIMT is an e-catalogue of the products manufactured by the Indian Machine Tool Industry - Machine Tools, all related products.
  - You can now upload your products on GIMT online.

- **Membership Contact Programme:**
  - Programme for information sharing between members and IMTMA representatives.
  - IMTMA Staff Visits your company to have one-to-one discussion.
  - You can share your expectations and opinions on various activities of IMTMA.

- **Regional Councils:**
  To promote the growth of the Association activities in various regions (South, West & North).

4. Government Advocacy & Policy Initiatives

Promoting the growth and development of the machine tool industry through active involvement with Government.

IMTMA works with various Government Department & Institutions.

- Department of Heavy Industry (DHI)
- Department of Industrial Policy and Promotion (DIPP)
- Department of Commerce (DoC)
- Ministry of Defence (MoD)
- Ministry of Finance (MoF)
- Ministry of Micro, Small and Medium Enterprises (MSME)
- National Institution for Transforming India (NITI Aayog)
- Office of Principal Scientific Adviser to GoI (PSA)
- Department of Scientific and Industrial Research (DSIR)
- Department of Science & Technology (DST)
- Directorate General of Foreign Trade (DGFT)
- Tariff Commission
- Central Organisation For Modernisation of Workshops (COFMOW) / Railway Board
- Ordnance Factories Board (OFB)
- Engineering Export Promotion Council (EEPC)
- Central Manufacturing Technology Institute (CMTI)

➢ Presents Industry concerns to the Government for formulating policies:
Free Trade Agreements (FTA) & Preferential Trade Agreements (PTA), Custom Duty, GST, Foreign Trade Policy, Technology, Government Schemes, etc.

➢ Policy co-ordination with other Industry Associations (CII, FICCI, ACMA & SIAM, etc.)

5. Technology Development

Provides inputs on technical issues and support for Technology Development to members.

➢ Technology Roadmap for Machine Tools
  Addresses the important areas of R&D pertaining to machine tool industry.

➢ Advanced Machine Tool Testing Facility (AMTTF)
  Test your machine tools, accessories, sub-systems at AMTTF.

➢ Funding for R&D
  o DHI Scheme:
    Enhancement of Competitiveness in the Indian Capital Goods Sector
  o Advanced Manufacturing Technology Development Centre – AMTDC (Collaboration with IIT Madras):
    Get funding for development of advanced machine tools and manufacturing technologies
  o Industrial Infrastructure Development:
    Tumakuru Machine Tool Park (TMTP) – Locate your expansion project @ TMTP.
  o Technology Acquisition Fund Programme (TAFP)
    Get part funding for acquisition of technology.

➢ Global Innovation & Technology Alliance (GITA):
  Funding support to Indian industry for doing Research & Development in partnership with an industry from foreign country.

➢ Department of Scientific and Industrial Research (DSIR):
  o Obtain DSIR recognition for your company’s in-house R&D.
  o You can obtain soft loan from DSIR for your R&D projects.

➢ MSME Schemes:
  MSME ministry has a number of support schemes for SME units which you can avail of.

➢ Industry 4.0 at CMTI
  IMTMA is Industry partner in the Industry 4.0 project at CMTI

➢ Industry – Institute Collaboration
  o IMTMA-Industry Innovation Collaboration (IIIC Portal)
    Post your R&D requirements on-line directly to academia institutions.
  o i2 Academia Pavilion
    A platform in IMTEX for Indian Academia / R&D institutions to showcase their R&D metal working projects.

➢ Technology Missions
  Join IMTMA’s Technology Mission to reputed Technology Centres in India and abroad.

Contact: P.J. Mohanram - mohanram@imtma.in / Srinjoy Das - srinjoy@imtma.in
6. Training & Skill Development

To meet the requirement of skill development in the manufacturing and machine tool industry, IMTMA has set up technology centres in Bengaluru, Pune and Gurugram.

 ➢ IMTMA Productivity Institute:
  - Benefit from training on various disciplines in Production Technology.

  o Programmes under Productivity Institute:
    - Short Term Training Programmes
    - Customised Training Programmes
    - Finishing School in Production Engineering.

Website: www.imtma.in / www.imtmatraining.in
Contact: Krishnamoorthy - mkm@imtma.in
6. Training & Skill Development

➢ IMTMA Design Institute:
Benefit from the specialized programmes on machine tool design and allied subjects.

  o Programmes under Design Institute:
    ▪ Machine Tool Design - Mechanical
    ▪ Machine Tool Design - Electrical
    ▪ Individual Design Modules
7. Domestic & International Business Promotion

➢ Business Promotion – Domestic:
   To develop, promote, and implement services that meet customer expectations.
   - Customers’ visits / plant visits coinciding with EC & RC Meetings.
   - Interactions with Government sectors (DGOF, Railways etc.)
   - Aerodef: Business potential in aerospace and defence industries.

➢ Business Promotion – International:
   Supports the export efforts of its members through various initiatives.
   - **IMTMA Export Development Cell:**
     Bring together export-oriented member companies to focus on strategic efforts to boost machine tool exports.
   - **Partnership with International Associations:**
     VDW/AMT/AFM/JMTBA, CECIMO, etc.
   - **IMTMA organizes;**
     - B2B Mission (Outward & Inward)
     - Group Participation
     - Training
     - Reverse Buyer Seller Meet
   - **International Market Updates:** Publishing market research reports at regular intervals.

Contd....
Market updates:
To update members on market requirements.

- Market Research Reports:
  Report gives the performance of major machine tool user industries with their growth potentials.
  - Country Reports.
  - Industry Data
  - Technology

- User Industry Sector Updates:
  Updates on investments and linkages for machine tool industry.

- Tender News:
  Latest tenders and enquiries being floated on machine tool requirements from various sectors.

8. Mega Events

Seminars and summits to keep the industry abreast with the latest technology, developments and best practices in the machine tool industry.

➢ **Productivity Summit & Productivity Championship Awards:**
  Recognise and reward the outstanding productivity practices in the metal working industry.
  Bring latest productivity practices to participants.

➢ **Machine Tool Industry Summit:**
  Held every two years, the summit provides a forum to the entire machine tool fraternity to share, learn and grow.

➢ **International Seminar on Machining Technologies (ISMT):**
  The seminar is held every odd year, a day before the start of IMTEX. Brings emerging trends, and key technology areas related to metal-cutting machine tools and machining technologies.

➢ **International Seminar on Forming Technologies (ISFT):**
  The seminar is held every even year, a day before the start of IMTEX FORMING. Brings emerging trends, and key technology areas related to metal forming and forming technologies.

➢ **Symposium on Smart Manufacturing (SSM):**
  The Symposium held every year, to address and understand the real-time benefits and applications of automation, Smart Manufacturing and advanced technologies like Industry 4.0.

9. Exhibitions

IMTEX is the flagship event of IMTMA

- **IMTEX Metal Cutting:**
  - Held every odd year
  - Focuses on Metal Cutting Machines & Machining Technologies.
  - Showcase the latest trends as well as technological advancements from Indian and global players.

- **IMTEX Metal Forming:**
  - Held every even year
  - Focuses on Metal Forming Machines & Forming Technologies.
  - Showcase the latest trends as well as technological advancements from Indian and global players.

- **Tooltech:**
  Tooltech is a premier event concurrent to IMTEX, showcasing machine tool accessories, sub-systems, parts, products/system related to production technology and manufacturing.

- **Regional Machine Tool Expo:**
  Regional Machine Tool Exhibitions by IMTMA in Tier II and Tier III cities of India.

- **Concurrent Shows:**
  Concurrent shows on important segments such as Welding, Metrology, Additive manufacturing, Industry 4.0, etc.
10. Publications

- **Directory of Members (DOM):**
  Reference book on IMTMA membership.

- **Guide to Indian Machine Tools (GIMT):**
  GIMT is an e-catalogue of the products manufactured by the Indian Machine Tool Industry - Machine Tools, all related products.
  You can now upload your products on GIMT online.

- **Market updates:**
  To guide and facilitate the growth and development of the machine tool industry, IMTMA keeps its members up to date on market requirements (Product, Technology etc.)
  - **Market Research Reports:**
    Report gives the performance of major machine tool user industries with their growth potentials.
    - Country Reports.
    - Industry Data
    - Technology
  - **User Industry Sector Updates:**
    Updates on investments & linkages for machine tool industry.
  - **Tender News:**
    Latest tenders and enquiries being floated on machine tool requirements from various sectors.

Exhibition Catalogues:

Exhibition catalogue is a compilation of all relevant information (Exhibition Layout, Exhibitor Profile, Exhibit Profile, Country wise List and Advertisement) pertaining to exhibitors and exhibits at IMTEX & IMTEX FORMING.

Members’ News:

- **Export News:**
  Showcasing international events in the Machine tool Industry. The E-newsletter brings information about the global export market and other export development initiatives of IMTMA.

- **IMTMA Newsletter:**
  The monthly newsletter disseminates the news about the Association, members’ news, manufacturing industry news and events.

- **Modern Manufacturing India (MMI):**
  MMI is a bi-monthly publication covering a myriad of subjects on the machine tool and manufacturing industry.

- **Annual Reports:**
  Annual Reports of IMTMA contain activities held by the Association in the preceding financial year, including all its major initiatives, its key exhibitions and events.
11. Addressing the future

➤ Strategise the Future.
  o VISION
    Join the bi-annual IMTMA VISION programme of machine tool CEOs / MDs to strategise the future of your company along with industry captains and mentors.

  o UDAAN
    Inviting the next-generation entrepreneurs, emerging leaders and young professionals of the machine tool industry to join the mainstream activities of the industry and the Association.
12. Green Manufacturing

- Join IMTMA’s Green Manufacturing Cell.
- Make your units green manufacturing companies.
- Develop green machine tools and related products.
13. Student Programmes

➤ CONNECT
IMTMA organises an awareness programme for imparting knowledge on the machine tool industry for young engineers during IMTEX.

➤ JAGRUTI
The programme familiarizes engineering students with the machine tool industry and the technological happenings in the industry segment.
A guided tour is organised during IMTEX to learn more about the machine tool industry.
